November 2015

Comhairle Cathrach
Bhaile Átha Cliath
Dublin City Council

PPN representatives elected to Dublin City Council Committees.

Many thanks to all the PPN members who turned out for our election nights on the 16th & 17th November. There was a great response from members with twenty-five nominations for six seats.

The following are the newly elected PPN representatives on the Strategic Policy Committees:

New linkage groups are being formed for each Strategic Policy Committee, If your group would like to join a linkage group please e-mail: ppn@dublincity.ie or phone 01 222 2885

Linkage groups are key for real participation with decision making. The linkage group can identify key issues to be addressed by the committee; representatives will feed back to linkage group and can receive further input from them.
